7. (Internal Use Only - CM) CONSTITUENT Maggie, in the office of Representative Silvio Conte (R., Mass.), called to pursue my message of 6 October to her that the CIA was not releasing and would not release the names of colleges and universities that had participated in the CIA's past drug experiments in deference to the privacy of the institutions involved and the Privacy Act. Maggie raised some questions about this which she said she would put in writing for a formal response.
